Camp Chiefs' Welcome

Guides and scouts have travelled for days and many thousands of kilometres to attend this camp. I'm sure you will all have great fun and make many new friends. I'm looking forward to meeting you all.

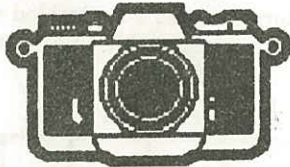

Happy Camping.
Alma Brand.

Welcome to all scouts, guides and leaders to Jamborella Five. This camp is a unique opportunity for scouts and guides to all share in challenges and friendship.

The success of this camp depends on everyone and I'm sure we will all enjoy the experience.

Good Camping
George Welsh.

If you have brought a good clear photograph of scouting or guiding We could reproduce for the newspaper, please see Kerry in BP Hut.

We are looking for articles, stories, funny comments, birthday greetings, true love declarations, puzzles, competitions, profiles, in fact anything and everything for the daily newspaper. Please place any items in the contribution box in BP Hut by 8.00pm the night before for publication the following day.

CAMP PERSONALITIES

Today we feature Rex. You will find him in BP Hut, amongst the large array of badges and souvenirs of old. Rex is here representing the Australian Chapter of the Scout Badge club. His responsibility as part of the Archive Committee is the restoration and collection of scouting, and where possible, guiding, history. Rex has attended 3 Jamborellas to date, 11 Australian Jamborees and 3 Canadian and USA Jamborees to "see how the other half lives".

During his working life, Rex was a retired youth officer at the Turana Youth Training Centre. His present position in scouting is Assistant Area Commissioner in Bayside Area.

Rex has given 30 years of active service to scouting. This vibrant young (old) scouter invites all to visit, swap badges or talk.
Q: What is known as the Pope's Robe?

AUSTRALIAN BADGE CLUB

The Australian Badge Club is located on Stradbroke Campsite. They are open from 9.00am to 5.00pm. Come along and visit an interesting display (and pat the Guide Dog!!)

CAMP CAPERS

Transport Co-ordinator was quoted as saying at breakfast this morning,

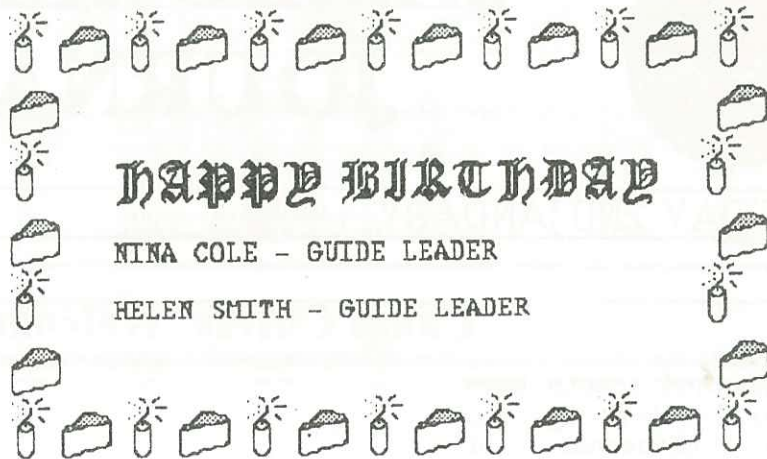

"I hope we have some inclement weather and I didn't make my team windcheaters for nothing."

Talk about putting on a curse. If she starts singing Jonny Appleseed, we're in trouble!

Which male is found in camp wearing red boxer shorts and scout socks? He claims that he is going to get them screenprinted. Initials N.D.

TRANSPORT PROBLEMS
When they were picking up some of the International campers, Branch Commissioner said to Country Group Leader, "Do you know where Broadhurst Lodge is?" Reply was no. So Branch Commissioner said "Follow me" and took off in a cloud of dust, never to be seen again.
Moral: Wait until the dust settles.

SOLUTIONS WILL BE IN TOMORROWS PAPER.

Thinking is Fun

A woman has a camera which cost \$200. She sells it for this price. Subsequently, she buys it back for \$180. Some time later, she sells it for \$240. How much profit does she make in the whole transaction? **\$160**

A group of scouts want to go on a combination bus and hiking trip. They want to leave at 6am and be back by 7pm, having allowed two 15 minute rest breaks and 30 minutes for lunch. They will travel a certain distance by bus and then walk back. The road is rough, so the bus can only average 30Km/Hr and the scouts expect to average 6Km/Hr walking back. How far should they go in the bus?

See if you can unscramble each word and write it in the box below the word. The circled letters are also a scrambled word. See if you can unscramble this word as well.
