MESSAGE FROM STATE COMMISSIONER

20 Russell Street, Melbourne, 3000.

Dear Brownies, Guides, Ranger Guides and Rangers,

Once again it is time for you to plan activities for April Action. I hope you enjoyed the jobs you completed last year – and that they were profitable too! Please let this be a special effort year, and try very hard in our 75th birthday celebrations. Perhaps you and your friend could do 75 different tasks, or have some other exciting goal. I would really love to know what you found to be the most fun.

Always wear your badge shiny and bright, and clearly explain to people why you have called. I know many folk look forward to your yearly visit, and they really enjoy hearing news of what you have been doing. Keep smiling even when things are hard or they take too long.

Best wishes.

Maren I. Chandler
