MESSAGE FROM STATE COMMISSIONER

20 Russell Street,
Melbourne, 3000.
2nd February, 1982.

Hello Girls and Leaders,

It's time to move into gear again for **April Action** — a month of challenge, when we earn money to assist with unit funds and support Guiding in Victoria.

Remember — half the money raised stays in your unit, and the other half is sent to Headquarters for State Administration.

It's up to everyone in your unit to decide how you will be involved in April Action, whether individually or as a unit, then what activities you will undertake — plenty of ideas on the opposite page!

During April — let's be where the Action is — doing things so the public can see we are actively involved in community affairs.

I do hope you will all challenge yourselves to earn an April Action ribbon this year, and become the first to wear them on your uniform, as this is something quite new in Victoria.

Good luck and have fun,

Marjorie E. West

Marjorie E. West
