NOTES FOR ASSESSORS

The assessment should be arranged in the usual way, on a local (region or district) basis, with every attempt being made to suit the assessment to the individual.

The girl should meet with the assessor prior to commencement of the syllabus and keep in touch throughout.

It may be advisable to use several assessors, according to the clauses chosen.

Assessors should refer to the booklet "Badges and Certificates — Hints on Assessment" but recognise that the objective of this badge is not a level of achievement but a growing awareness of the Promise as the basis of guiding.
